

YOR919930093US3

Rule 1.53(b) Division of Prior Application S/N 10/193,497

The specification is amended at the designated locations to: (1) provide a proper cross-reference to a related application; (2) correct typographic or grammatical errors within the specification; or (3) provide enhanced description of the drawings.

CONCLUSION

On the basis of the above amendments and remarks, consideration of this application, and its early allowance, are respectfully requested.

Any inquiries relating to this or earlier communications pertaining to this application may be directed to the undersigned attorney at 845-838-9251, or Mr. Robert M. Trepp, Esq. at 914-945-3147, at the Examiner's convenience.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Alek P. Szecsy'.
